INVITATION TO COMPETE IN THE INTERNATIONAL FILM FESTIVAL OF THE NON-COMMERCIAL FILM OF THE „9. WALSER FILM DAYS“

An international film competition of the non-commercial film with an unrestricted topic organized by the Film and Video Club Wals-Siezenheim, with the support of VÖFA (Association of Austrian Film Authors)

Taking place is from **26st to 28th October 2018**

Submission and registration by **15st September 2018**. Films received after this date cannot be accepted. Film registration form and competing films are to be submitted on schedule.

Only amateur films in the format of mp4 or 2mts on Stick are eligible for submission. Each competitor can submit two films. However, when entering two films on one data carriers should be submitted. The film should not be **older than 5 years**. All films will be played by the festival **not from the data carriers** but from the PC.

The length of a film is limited to **30 minutes** (Minute-Cup: 1 minute).

Should a film run longer than 30 minutes then the preliminary jury decides on its submission to the main competition.

The film entries are evaluated by a preliminary jury and the qualifying films are submitted to the main competition.

Those films submitted for the main competition are then presented publicly on the festival days and judged by an international jury.

Event venue is the Bachschmiede in Wals-Siezenheim near Salzburg.
